The **Institute of Biochemistry, University of Bonn, Germany, offers a**

**Post Doc Position (f/m) (100%)**

The position is initially limited to three years and is available immediately. Prolongation is possible.

The position has a focus on mass spectrometric analysis of proteins and will also contribute to the services of the mass spectrometry core facility. Research groups of the institute have a focus on lysosomal biogenesis, lipid metabolism and pathogenesis of lysosomal storage diseases.

We are seeking a highly motivated person with a degree in biology, biochemistry, medicine, physics, bioinformatics or a similar degree. Ability to work independently and good communication skills are essential. Expertise in mass spectrometric analysis as well as biochemical techniques is advantageous. Since the institute is responsible for preclinical courses of medical students applicants are expected to teach biochemistry in seminars and practical courses.

**We offer:**
- The salary will be according to the German salary scale TV-L (EG 13)
- A “Jobticket” (subsidized public transport) is available
- There is also a possibility to use the day care center
- Supplementary benefits in the public sector (pension plan according to VBL)

We offer a stimulating work environment and state-of-the-art mass spectrometry equipment ([www.masse.uni-bonn.de](http://www.masse.uni-bonn.de)).

The University of Bonn is committed to diversity and equal opportunity. It is certified as a family-friendly university. It aims to increase the proportion of women in areas where women are under-represented and to promote their careers in particular. It therefore urges women with relevant qualifications to apply. Applications will be handled in accordance with the *Landesgleichstellungsgesetz* (State Equality Act). Applications from suitable individuals with a certified serious disability and those of equal status are particularly welcome.

Please refer to the reference number 535_2018. Applications should be sent within three weeks after publication of this job advertisement to
